HOLLYWOODBETS DURBAN JULY 2026

Beneath wide South African skies
the thoroughbreds run free,
Hooves thunder with courage
for all the world to see.

Jockeys chase the horizon
where glory will endure –
Where freedom meets elegance
on fields wide and pure.

Along the rail, bold silhouettes
begin to take their turn,
Suede, silk and statement hats
with fearless flair that burn.

Not borrowed western costume,
but country reimagined sure –
Where style moves freely
and moment feels assured.

As music lifts the moment
and the celebration stirs,
Laughter, rhythm and glamour
belong to all who are hers.

A rebel touch of country,
refined yet wild for sure –

So release your spirit at the
