AFRICA'S GREATEST HORSE RACING AND SOCIAL EVENT

HOLLYWOODBETS DURBAN JULY 2026

Beneath wide South African skies the thoroughbreds run free,
Hooves thunder with courage for all the world to see.
Jockeys chase the horizon where glory will endure -
Where freedom meets elegance on fields wide and pure.

Along the rail, bold silhouettes begin to take their turn,
Suede, silk and statement hats with fearless flair that burn.
Not borrowed western costume, but country reimagined sure -
Where style moves freely and moment feels assured.

As music lifts the moment and the celebration stirs,
Laughter, rhythm and glamour belong to all who are hers.
A rebel touch of country, refined yet wild for sure -
So release your spirit at the Hollywoodbets Durban July, in
